Re:NNMid-Year Report (1/01/01-6/30/01)

Dear Mr. Gibson:

This is in response to your letter of March 2, 2002 regarding NRL Political Action Committee's mid-year report (1/01/01-6/30/01).

National Right To Life Political Action Committee has in place a set of procedures to comply with the FEC's "Best Efforts Rules." The original solicitation piece has a statement advising donors that federal law requires PACs report the name, address, occupation and name of employer for each individual whose contributions aggregate in excess of \$200.00 in a calendar year.

If the donor fails to provide the information with the contribution, a letter is sent to all individuals who contribute in excess of \$200.00 advising that federal law requires that the name, address, occupation and name of employer be provided. A self-addressed, stamped envelope is sent with the letter.

If the information is received after the contributions have been reported, an amended memo Schedule A is submitted to FEC listing all the contributions for which additional information was received.

Sincerely,

Amarie C. Natividad
NRL PAC Treasurer
